

MERCHANTS PRAISE STORM PIPE WORK

Railroad Man Tells of New Terminal for Tender Freight.

JUNE PICNIC PLANNED

Borough officials were praised Monday night by the Board of Trade for the speed and care used in the installation of the big storm drain pipe in the bed of Haverford avenue. A resolution to that effect, expressing thanks to Borough Council and to Street Commissioner Suplee, was passed.

Several of the merchants noted that the slight inconvenience to motorists caused by the excavations had affected business, showing clearly the benefit of parking convenience. The present ease in parking and the consequent accessibility of the stores has done a great deal to increase local buying by Narberth residents.

R. P. Russell, superintendent of the Philadelphia Terminal division of the P. R. R., was speaker of the evening. He gave the merchants an interesting talk on the methods followed by railroads in the handling of perishable freight.

Mr. Russell told the members of the new produce terminal being erected on Oregon avenue, where sheds and sidings will be ready July 1 for the handling of Philadelphia's perishable freight. It will be the most modern terminal of its kind in the country.

STILL NEED AID AND ASSISTANCE

Scouts Will Not Have Altered Cabin—Contributions Failed.

A final survey of the Boy Scout records shows that less than 100 citizens of the borough have responded to the letter sent out by the Fathers' Association this year. Total contributions amount to \$457.50, which is just \$100 more than is required to meet the interest on the mortgage on the property and pay the current running expenses. It will not permit of making the much-needed alterations to the cabin.

Those whose contributions have not been acknowledged through the columns of Our Town are: F. L. Terry, H. V. Whitney, W. Russel Green, H. B. Wall, W. A. Fox, C. H. Nold, H. C. Keim, A. E. Reid, W. J. Bailey, A. H. Wilson, Dr. F. E. Zindel, F. M. Justice, Wm. A. Stout, A. H. Nulty, F. M. Robb, F. A. Lanahan, Harvey W. Monks, Walter Rosier and E. H. Sikkels.

No further effort will be put forth by the executives of the Boy Scout organization. It is anticipated, however, that those to whom the original letter was sent, and who have not as yet responded, will do so. Otherwise, the work among the Narberth boys will be hampered and it will not expand as it undoubtedly should.

Sixty "scouts" are now meeting regularly in the cabin every Friday evening. The executives themselves have volunteered to lend assistance in "passing tests" for the boys until such time as a sufficient number of assistant scoutmasters are secured to help in conducting the sports and other instructive activities.

TO WITNESS BIG BLAST

Edwin T. Wolf, of Elm Terrace, will be among the spectators next Monday at a gigantic dynamite blast to be set off at Birdsboro.

The "shot" will be the largest ever attempted in the East, and the largest in America in hard rock. One hundred and seventy thousand pounds of dynamite, carefully set in tunnels and wells, will be set off at 2 P. M. by du Pont experts.

The blast will take place at the quarry of the John T. Dyer Company at Monacacy, near Birdsboro. It is expected that 1,000,000 tons of rock will be moved by the shot. A large number of persons from all parts of the country will be on hand to witness the spectacle.

QUERCUS PALUSTRIS DEATH ANNOUNCED

Business Section Mourns Loss of Stately Old Resident.

OTHERS STILL ALIVE

Many a Narberthite will learn with genuine regret of the passing of an old and stately resident of the town, who for many years has stood at the corner of Haverford and Forest avenues. This obituary notice does not refer to any human being, but to the fine pin oak which was the last arborescent resident to shade our business street. For some years the tree was ailing; first in top-most branches disease was evident; year by year the extent of defoliated limbs spread; this spring no life is in evidence in the old monarch. What caused the demise is a matter of conjecture. Although a tree of good age, for this species, yet its death was hardly the result of old age.

Probably the constantly changing aspect of the main street, with sky scrapers (one story), banks, stores, apartment houses springing up all around, caused our lamented friend to die of a broken heart. The quiet business street with at least a few friendly trees has been transformed into a treeless, shadeless mart of trade.

Quercus palustris is dead and no doubt its removal will be recommended by the Narberth Shade Tree Commission, for rotting branches will be a menace to the passersby. No longer will the newcomer to Narberth be welcomed by this prominent, but unobtrusive, resident.

Narberth has always had just pride in her fine trees lining the avenues and gracing the lawns of

NOTED KINDERGARTNER ADDRESSES MOTHERS

Commends Narberth on Proposed Kindergarten.

A very responsive audience listened to Julia Wade Abbot last Monday night in the auditorium of the Narberth School building. Miss Abbot is director of the public kindergartens of the city of Philadelphia, and came to Narberth on this occasion at the request of Mrs. R. G. Augst, president of the Mothers' Council, through whose efforts a public kindergarten has been started in Narberth.

Miss Abbot, whose charming personality lent authority to her words of advice, said that it was an added pleasure to address the audience since she came not to urge them to establish a kindergarten but to congratulate them on having already made their plans to start one in the fall. She spoke of the kindergarten as being generally recognized as an integral part of the school system even though Pennsylvania was so far down the list in recognition of its importance.

She discussed the new trend in kindergarten methods and explained the importance of the years preceding the first grade age in laying the basic principles of character, habits of regularity and order, self-reliance and recognition of the rights of others.

An interesting discussion centered around the right of the child, as of adults, to be with his peers, to judge and be judged by those of his own mental age. It is this group feeling, Miss Abbot said, or the lack of it that helps so much to make or to mar later success in life.

When the formal lecture had closed there was opportunity for question to which Miss Wade replied very graciously. This was the last regular meeting of the Mothers' Council, closing in its first year a most gratifying program of lectures and activities. There are one or two more events in their schedule which have to do more with the children in school, but this is probably the last public meeting.

In accordance with the observation of Memorial Day, the Narberth Post Office will be closed all day Monday. There will be no delivery, although mail will be dispatched and collections made as usual.

Heads Second Show

CAB MEN JOIN IN FIGHT ON YELLOW

Almost Every Independent on Line Represented at Hearing.

CONFIDENT OF VICTORY

Practically every independent taxi cab operator in the Main Line suburbs was represented yesterday at the hearing before the Public Service Commission in Philadelphia City Hall on the application of the Yellow Cab Co. of Philadelphia for renewal of its certificate of operation. Their representatives attended to fight the request of the Yellow corporation for permission to extend its active service to Montgomery and Delaware county suburbs.

Testimony was given showing that the territory which the Yellow would invade is already given adequate taxi service and resolutions were presented from various municipal governments endorsing local independent operators and backing up their arguments. Among the communications read were two from the Lower Merion township commission and the Narberth Borough Council which declared that the proposed Yellow Cab service would not compensate for the increased traffic congestion.

As customary, the Public Service Commission gave no immediate ruling but took the case under advisement. Its decision is expected within the coming week. In view of the practically unanimous opposition expressed to the Yellow Cab extension, the suburban cab operators are confident that the Public Service board will rule against it.

The attorneys who appeared at the hearing to protest the Yellow expansion move and the clients they represented were Henry A. Frye for Walter Roser, Narberth; Fletcher W. Stites for the Borough of Narberth; J. M. Brittain from the office of Parker S. Williams,

RUMMAGE SALE

The choir of the Lutheran Church will give a rummage sale on June 3 and 4.

Any persons desiring to help can do so by sending any old clothing, etc., to Miss Anna Sell, 107 Conway avenue, before the date of the sale.

Trick Storm Destroys Trees on South Side Thursday Afternoon

South Side trees suffered Thursday when a freak storm hit Narberth. With the exception of a flooding rain, other parts of the town escaped serious damage.

At 3 P. M., after black clouds had piled up in the southwest, a wind and rain storm of near-cyclone intensity swept in from Wynnewood and hit the lower parts of Woodside and Elmwood avenues.

On the Shortridge estate nearly a score of big trees were snapped off and hurled to the ground. Four large maples were thrown across Wynnewood avenue. Branches were twisted from dozens of other

MANY PRESENT AT SCOUT MINSTRELS

Annual Affair Voted a Real Success by a Large Attendance.

WAS HELD TWO NIGHTS

The Boy Scout minstrels "took Narberth by storm" last week-end, when one of the finest and best executed entertainments was given in Elm Hall. The auditorium was packed to the limit on Friday evening, while Saturday's attendance was not quite so large.

From the start to the finish the boys kept the audience spellbound. In a setting of black and white, with the boys' natty white uniforms set off with black windsores and huge red sashes, the stage presented a beautiful sight.

The "circle" was supported by a chorus of 25 boy scouts. Under the leadership of "Dick" Farrand, of Philadelphia, with Miss Kathryn Getz, of Narberth, at the piano, their singing was so much enjoyed that it was necessary for each soloist to respond to an encore.

The first part of the program consisted of selections by the entire company, with specialties by John Miller, J. "Reds" Thomas, "Bill" Harris, Albert Lambert, Barney Muellor, Howard Wilson, Vestus Spindler, "Dick" Staley, Fred Robb and Keith Monnington, whose execution of "the Charleston" was perfect.

Two sets of end men entertained the audience. Albert Lambert and Jay "Reds" Thomas occupied the stage at the opening. They were supplanted later by "Dick" Staley and Howard Wilson. Their jokes were "put over" amid rounds of applause.

Part two of the program was opened by three sections on the

BIG TIME TO OPEN LOCAL BASEBALL SEASON

New Grandstand Ready for Home Game This Afternoon.

The local baseball season will be officially opened this afternoon, when Narberth entertains the Paoli railroaders on the home grounds. Elaborate ceremonies are planned for the contest.

A parade, participated in by the team members, fans and local organizations will start from the firehouse at 1.30 this afternoon, marching to the playground field. There the ceremonies will be held by the ball club, borough officials, school board members, etc.

A speech has been promised by the Hon. Fletcher W. Stites, former Burgess, State Senator and stellar moundsman for the borough nine. Burgess Frye is warming up in his backyard in preparation for throwing out the first ball.

The Lower Merion High School band, under direction of Fred C. Patten, will provide the music for the parade, and during the lulls in the game.

Charley Townsend will start the game as pitcher for Narberth, his first appearance of the season. The grandstand, seating 400, is ready for use, with only the roof to be put on later.

On Monday Narberth has two home games—Bridesburg at 10.15 A. M., and Gladwyn in the afternoon. The Ardmore harmonica band will be on hand for the afternoon contest.

To Address Veterans

Rev. Robert E. Keighton, pastor of the Baptist Church of the Evangel and chaplain of the local American Legion Post, who will conduct Memorial Day religious services at his church Sunday.

NEW COMMITTEES NAMED AT ROTARY

Ardmore Club's Delegation Tells of Plans for Boy Council.

OTHER CLUBS TO HELP

The announcement of committees for the coming year and the presence of a group of Ardmore members featured the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club Tuesday.

The delegation from the neighboring club was headed by President John Weigel and included Thomas Shead, William T. McIntyre and Eugene W. Baldwin. Mr. Weigel spoke to the local club on the subject of the Main Line Boy Council now being organized.

This new body is the outgrowth of Boy-Week, successfully held in Lower Merion this year through the efforts of Rotary, Kiwanis and other co-operating bodies. The council will, it is hoped, function throughout the year in the supervision of boys' work.

List of Committees. The council will be made up of representatives of the various service clubs, business groups, legion posts and the like. The organization meeting is scheduled to be held June 14 at the Y. M. C. A. building in Ardmore.

The announcement of the new committees was preceded by the ceremony of installing the newly-appointed sergeant-at-arms, William S. Howard. J. J. Skelton, Jr., retiring official, instructed the incoming man in his duties.

President E. S. Deubler announced the following:

MRS. IRWIN PRESIDENT Succeeds Mrs. Shope as Head of D. A. R. Chapter.

Mrs. Samuel Z. Shope, regent of the Doctor Benjamin Rush Chapter of the Daughters of the American Revolution, tendered a luncheon to the chapter Saturday, at her home, 108 Iona avenue.

The luncheon was followed by a business meeting of the chapter and an election of officers. The following officers were elected: Regent, Mrs. Charles M. Irwin; vice regent, Mrs. Hugh Martin; second vice regent, Mrs. S. Langlois; recording secretary, Mrs. Joseph Aiken; corresponding secretary, Mrs. Joseph Miller; treasurer, Mrs. Frank Hewitt; registrar, Mrs. Harry Chalfant; historian, Mrs. Earl Achenbach; librarian, Mrs. Tristan B. du Marais.

It was with great regret that the chapter received the resignation of Mrs. Shope, who has been Regent of the chapter since its formation. Mrs. Shope has recently been elected president national of the Society of Daughters of 1812, and felt that the responsibility of this office would be too much to allow her to retain the regency of the Doctor Benjamin Rush Chapter of the Daughters of the American Revolution.

JOINS WAGNER Mr. Davis Pearson, 3d, of Montrose avenue, Rosemont, has recently joined the staff of Samuel C. Wagner, Jr., real estate brokers. Mr. Pearson will devote his time to the Main Line territory.

MEMORIAL DAY TO BE WELL OBSERVED

Legion Post Will Attend Services at the Baptist Church.

TO PARADE ON MONDAY

Plans have been completed by the Harold D. Speakman Post, No. 356, for a big Memorial Day celebration in Narberth under Legion auspices.

Members of the local post will meet Sunday at 10.30 at the Fire House, marching in a body to the Baptist Church of the Evangel, Elmwood avenue. The Legionnaires will be dressed in uniform and American Legion caps.

Rev. Robert E. Keighton, pastor of the Baptist Church and chaplain of the post, will conduct the Memorial Day services. A special sermon for the occasion will be preached. The subject chosen is "Are we a free people?"

On Monday, Memorial Day, the annual parade will be held. It will start from the Fire House at 9 A. M., with many local organizations in line. The Norristown American Legion Drum and Bugle Corps of over 80 will furnish the music. Other members of the county seat post will also be in line.

In addition to the Narberth legion members, the Boy Scouts, Girl Scouts, Fire Company, school children and civil war veterans will make up the line. The G. A. R. men will be in cars. Motion pictures will be taken of the parade.

THREATEN FINES FOR DEFIANT SHOPKEEPERS

Burgess Frye Warns That Goods Must Be Kept off Sidewalks.

Narberth storekeepers who have been using the sidewalks for the display of fruit, vegetables and other merchandise have been threatened with arrest by Burgess Henry A. Frye in a notice served on every merchant this week.

The letter to the business men is the result of the defiance of a few men, who have refused to abandon the practice. The worst offenders against the ordinance prohibiting the display, according to the officials, are a few chain stores and nonresident storekeepers.

Several of the offenders have been warned a number of times, Burgess Frye declares, but persist in the practice because they notice that competitors are doing the same thing. The little group, who, mistaking each other, have started the trouble, brought complaints from their law-abiding competitors.

The letter from the Burgess follows:

"To the merchants and storekeepers of Narberth: "It has recently come to my attention that certain merchants and storekeepers in the Borough have been using the sidewalks for the purpose of displaying fruit, vegetables and other merchandise for sale. Of course, not all have been guilty of the practice, but to avoid any misunderstanding this letter is being sent to everyone. For your information, there is in existence a police regulation prohibiting such use of the sidewalks at all times excepting Christmas and Easter.

"For several years an occasional warning has been all that was necessary to secure the co-operation of all our merchants, who have heretofore worked with the borough authorities in a very satisfactory manner. However, in spite of the fact that the matter has been brought to the personal attention of several offenders within the last month, some are seeking to take advantage because no one has as yet been fined and excuse themselves by saying that somebody else is doing it.

"Instead of making a public example of anyone in particular by making an arrest, this notice is given as a warning that the situation will not be tolerated any longer. The police have been provided with a special summons to be served on each violator of the regulation and fines will be imposed.

"HENRY A. FRYE, Chief Burgess."

solicitor for Lower Merion township; Frank Harrigan for Kromer Brothers, of Cynwyd; Joseph Carson for Gardiner Johnson and associates of Haverford; E. J. Pennell for taxi operators in Bryn Mawr, and Evan B. Lewis for the Suburban Cab Company of Ardmore.

The decision of the Public Service Commission must be given before June 1 for on that date the present certificate of public convenience of the Yellow Cab Company expires. The company will be granted its permit again to operate in Philadelphia but local taxmen are hopeful that it will be prevented again from going out into the suburbs.

The fight over the suburban taxi field began first last year when the Yellow Cab's original two-year certificate expired. It then made a request, similar to what it made this year that in addition to being granted a renewal of its permission to conduct in the city, it also be allowed to establish stations in the suburbs. Opposition was so strong, however, that the commission ruled against the latter request temporarily and granted the company a one-year renewal of its city certificate instead of the usual two.

The "vicinity" of Philadelphia territory in which the P. R. T. subsidiary is asking permission to operate in is: (a) Delaware County: The Boroughs of Collingdale, Clifton Heights, Darby Drexel Hill, Glenolden, Lansdowne, Media, Norwood, Norton, Prospect Park, Ridley Park, Sharon Hill and Swarthmore (P. R. T. Station); the Township of Darby at Folcroft; the Township of Haverford at Brookline, Elanor, Manas and Oakmont; the Township of Marple at Broomall and Newtown Square; the Township of Radnor at Radnor, St. Davids, Villanova and Wayne; the Township of Ridley at Secane; the Township of Springfield at Primos and Springfield; the Township of Upper Darby at Bywood, Highland Park and Wycombe.

RETURNS SLOW

The returns sent to the appeal sent out for the police pension fund of Lower Merion Township have been disappointingly slow.

In response to the 7200 letters mailed 965 returns totaling \$9103 have been received. Those in charge of the fund hope that those who intended to contribute and have not done so will answer the appeal.

ANNOUNCE ORATION AND ESSAY FINALS

Francis Shoemaker and Emily Scull Win Senior Class Contest.

PLAN CAPITOL TRIP

The Senior oration and essay contest came to an end Friday morning at the Lower Merion High School when Francis Shoemaker, of West Conshohocken, and Emily Scull, of Gladwyn, took the annual commencement honors, after making impressive speeches.

Francis Shoemaker, editor-in-chief of the 1927 class book, and president of the Forum Club, gave as his topic, "Ourselves as Torchbearers." Emily Scull read the winning essay, "Ship Ahoy."

The contest had been narrowed down to six speakers, Gladys Dautle read her essay, "Modern Education," and Dorothy Green as the last essay, "In Defense of Youth." John Haulick gave his oration "Loyalty," followed by Herman Ball with his recitation of "His Creed."

The judges were Miss Baker, Miss English and Mr. Africa. The oration and essay will be given for the last time on commencement evening, Friday, June 10.

The Forum Club of the High School elected officers for the 1927-28 season as follows: Oswald Smith, president; Patrick Brady, vice president; Hope Burlingame, secretary, and Robert Kesler, treasurer.

The Forum has taken an active interest in high school affairs having under its management the debating team and the elocution section. Miss Dorothy Holland supervises the club and acts as faculty advisor.

The Senior class trip will be made to Washington, D. C., on June 6, 7 and 8. A large number of the class are expecting to make the trip.

The University of Pennsylvania had a number of its prospective students for guests at several interesting events last Saturday afternoon. Many Lower Merion boys attended a program consisting of a track meet, baseball game, Glee Club, Serenade Club and the Mask and Wig featured the afternoon's entertainment.

The Ardmore Rotary Club will make a presentation of a wrist-watch to the Ardmore boy of the Senior class who has shown the best spirit of Rotary throughout the school year. Nominations were received from the Senior class last Tuesday afternoon, and the watch will be awarded on Friday morning, June 3.

COOKS MAKE CHANGES

Extensive alterations and improvements have been completed by Cook Brothers, Narberth plumbing, heating and roofing experts, at their main office and show room, 104 Essex avenue, Narberth. Half of the large display space became available when E. J. Hartzel and son moved across the street to 107 Essex avenue, where the real estate office is continued, in connection with the new Essex Kandy Kounter opened by Austin E. Hartzel.

TENNIS CLUB ANNUAL CARD PARTY

The Narberth Tennis Club will hold its annual card party at the club house on Friday evening, June 10. All Narberthites and their friends are invited. Tickets, \$1 per person, including refreshments.

As Young as Daughter

Every household task, from
scrubbing a floor to the delicate
matter of baby's bath, is light-
ened and simplified by the use of

Hot Water—Lots of it

The advantages of having gas-
burning equipment in the home
does much to keep mother look-

GIRL SCOUT NEWS

Conducted by Mrs. Victor I. Zelov. Captains Attention!! Friday, July 1, a Girl Scout Day is to be held at Willow Grove! Tell your girls about it now. Get your plans started and help make this the biggest Girl Scout Day ever held in Philadelphia. We want every Girl Scout to come. Transportation plans and final instructions will be given out by our Field Captain, Miss Perkins. Let's make a big showing. Tickets for all the amusements will be given out before a picnic lunch. After lunch there will be a "Be Prepared Contest," Court of Awards and a life-saving demonstration in the pool. Come on girls of the Main Line!

At the recent Rummage Sale held in Ardmore, \$220.25 was made for the Girl Scout work in District No. 8, according to an announcement just made by Miss Mary B. North, chairman of the rummage committee.

Miss Margaret Robins, of Merion, has been recently chosen Philadelphia Commissioner to succeed Mrs. Horace Hare, resigned. Mrs. Hare has been our commissioner for so long, first as Miss Ellen Cassatt and after her marriage as well, that it is hard for us to realize that she is no longer our commissioner "to guide and advise." Miss Robins, who is chairman of our camp committee, has given a great deal of her time to Girl Scouting in Philadelphia, and we congratulate her on her recent election and hope she will enjoy her work with us.

Miss Julia Williamson, Philadelphia director, is expected to be back with us about June 13. For the past three months she has been traveling abroad, making a study of Girl Guiding—or Scouting—in the various European countries. She will no doubt have many interesting things to tell us about her experiences.

Captains, have you received enough camp folders? They are waiting for you at headquarters if you need more. Bazaar Planned.

Ardmore Troop No. 44, recently lost a much beloved member of their troop. Elizabeth McCrea, an active member of the troop for some time, died a few weeks ago at the home of her parents in Ardmore. The whole troop adored her and the captain, Mrs. Vincent Schneider had recently made her 2d Lieutenant, because of her splendid work in Girl Scouting. The troop is completing plans for a bazaar to be held in a store in Ardmore, the first part of June, for the benefit of their camp fund. Fancy articles, cake and candy will be on sale and it is hoped that a goodly sum will be made for the good cause—"camping."

Gladwyne Troop No. 99, Miss Ellen Harrison, captain, Miss Evelyn Martin, lieutenant, is working hard on Merit Badges. One of their members, Miss Hilda Mann, has just been appointed handicraft instructor at Camp Tall Trees for the coming season, and the troop feels very proud. She will teach the various branches of handicraft, for which the demand at camp is very great. The troop had a recent visit from the Standards Committee and pleased them exceedingly at the end of their inspection by serenading them.

Malvern Troop No. 104, Mrs. Russell Elton, captain, reports that they have been making and selling pot holders to buy a troop flag. They were recently presented with a beautiful American flag, by the mother of one of their members who recently died. They sang "Taps" at the funeral, and the mother appreciated it so much that she gave the flag in her memory. The troop is planning to give a little play called "Girls of Glen Willow" at the Scout-Parent picnic, which they are giving May 30. Every four weeks during the summer the troop will go on a hike, ending with a picnic.

Narberth Troop, No. 8, Mrs. John Nash, captain, gave their annual "Mother-Daughter luncheon" last Saturday. The program was planned especially for the mothers, to show them what Girl Scouts can do, as hostesses and entertainers, as well as "behind the scenes," and the luncheon was a huge success from every angle—as usual. Tuesday, the troop had a supper hike which was enjoyed immensely.

The Haverford Jr. Troop, Mrs. Greer, captain, went on a supper hike last Thursday. They passed off their fire-making test, part of the 2d Class requirements, as well as played many fascinating outdoor games—before a most delicious camp supper. Toasted marshmallows finished the feast. One intrepid scout, it is rumored, made her fire with one match!

MUSIC FESTIVAL

Annual Event Will Be held on Polo Grounds Early in June.

One of the most important musical and social events of the year is the Main Line Music Festival, held annually at the Bryn Mawr Polo Fields.

This year's event will take place on Saturday evening, June 11, and will be the sixth annual festival. As usual, it is under the direction of Clarence C. Nice, musical director of the LaScala Grand Opera Company.

Kathryn Meisle, contralto of the Chicago Grand Opera Company, will be the soloist, and will be assisted by the Haverford College Glee and The Littlefield Ballet.

This year's proceeds will be given to the John Cadwalader Building Fund of the Chapin Memorial Home for the Aged Blind. Charities which have benefited other years are the Seamen's Church Institute, Children's Home of the Bryn Mawr Hospital, and the floating library of the American Merchant Marine.

THE BIG QUESTION

What kind of lumber shall I select for the several repair jobs around the house?

First thing to be considered is your budget.

Second, do you want to make a temporary repair or permanent one?

Third, can you wait indefinitely, or do you want to start immediately?

It's a rather mistaken idea that a board must be clear of knots to prolong its life. Quite the opposite is often true. In White Pine, for example, you may get a board that is practically all cut out of the sap part of the tree, and it will rot quickly. The heart boards may be full of knots, but the lasting quality is there, and, if properly painted, the knots will be obscured. There is quite a difference in the cost of these, and you are getting the longer life out of the cheaper board.

We will be closed May 28 and May 30.

Let us take care of your orders Friday.

"...attention to your personal needs when you visit the Business Office."

Filling your service measure

PROMPT AND RELIABLE telephone service is what you most want.

That's where you put the emphasis most of the time.

And that's where we put it!

But service means more than that to you; as it does to us.

You want close, helpful attention to your personal needs when you call or visit the Business Office.

You want your bills to show clearly what your usage has been.

You want the installer or repair man who visits your premises to do his work quickly, and without making a mess of things.

These and other details you want well handled.

And on these, we, too, put emphasis.

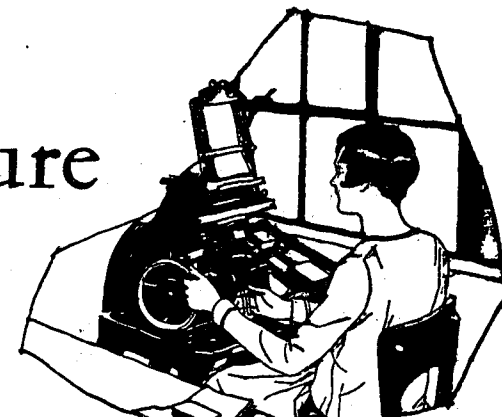

What we are trying to do is to bring the best efforts of a capable workman to bear on every feature of your service—to put ourselves at your personal disposal in your every contact with this company.

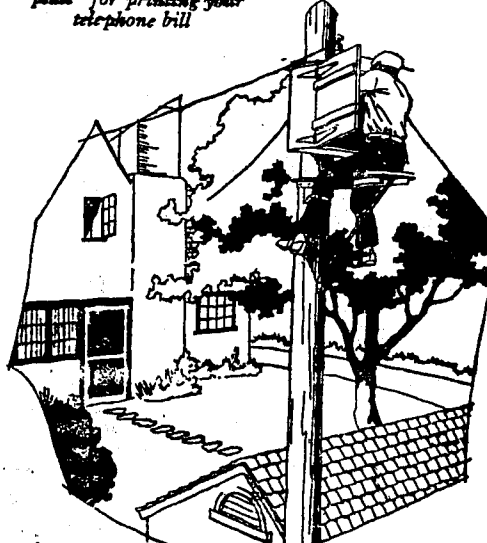

In the billing department, accuracy is essential to personal service

How a Very Warm Day in Summer Can Make You Think About Next Winter's Coal

It is summer. Red hot. So oppressive is the atmosphere
that your thoughts turn to cooling images in hope of some
relief:

A cool, gurgling brook—a ride in a motor boat, your face
wind-beaten—a trip to Canada—a snow storm—ahh!—
remember that blizzard of last winter!—how the drifts
piled up, how you dug a path to the front steps—how the
next second it was covered up again by the whirling
flakes? How you ran indoors, saying: "Let it snow!"
Indoors, where your easy chair invited, and a pleasant
warmth prevailed? How your chilled bones responded to
the comfort and you remarked to the cosy atmosphere:
"Let it snow!"

*It is at this point in your train of thought that
the brakes crash on to the signal, "By Jove! I
must order my NEXT winter's coal!"*

Then you call us.

We Call For and Deliver

Have you ever made good on one job.. for 39 years?

THE extra mileage you get from Dunlop
tires starts with the fact that Dunlop
has had thirty-nine years of tire-building
experience—more than any other tire-
maker.

Each part of each Dunlop is built right.
Dunlop owns its own cotton mills to spin
selected long-fibre cotton into the special
Dunlop cable-twist cords.

These cords mean extra strength—an
added factor of safety against constant
load and pounding of roads—longer life
and greater mileage.

They mean extra "stretch"—so the tire
carcass will give under blows, and come
back to its original shape without the
slightest injury.

Every Dunlop you buy has extra miles
built into it because Dunlop knows each
part of its job. That is why we recommend
you put Dunlops on your car.

NARBERTH LOSES

Upset Features First League Game With Wayne.

Narberth lost her first Main Line League ball game Saturday, by the score of 11-3. The surprising upset was caused by poor pitching. One lone homer was scored by the home team, when Varney Fleck swatted hard in the eighth.

Bob Gibson lasted one inning, while Wayne scored five runs. Graham allowed five more runs in the next five innings. Then Babb stepped in the box and held the Wayne sluggers down to one run, scored in the eighth.

A new pitcher has been recruited to aid Narberth's fortunes for the rest of the season. He is Zip Long, former University of Pennsylvania baseball captain. Recovering at present from tonsillitis, the long, lanky right hander will not report for duty until Saturday, June 11.

Wednesday's game with the Oriental K. of P. was called on account of rain.

Paoli will visit Narberth for today's game. Narberth plays at Gladwyn on Monday.

Narberth Young Girls Raise \$60.20 for Mississippi Relief.

"We wish to express our appreciation to our many friends and patrons for their hearty co-operation in making our cake sale a success. Especially to Mr. Lyons, of Ardmore, for the use of his vacant store; to Mary Case, aged 10 years, who obtained 27 donations; to the children in our class at school, and Miss Gastner, who helped us with our posters.

"We are happy to say we cleared \$60.20, which has been turned over to Mrs. Fenno, as captain of the Narberth branch of the Main Line Red Cross for the Mississippi Flood sufferers.

"Belle Mitchell Lippincott, aged 9.
"Eleanor Virginia Weld, aged 10."

BUILDER MOVES

Walter Schliff, builder, will hold open house over the week-end for friends at his new home now being completed at 520 Merwyn road. With his 4 daughters, aged 4 to 21 years, he will move in on June 1.

Mr. Schliff has been engaged for years in the building and contracting business. His former residence and Philadelphia office was 1324 North Fifty-fourth street. His office is over the Narberth Coal Company, corner of Haverford and Narberth avenues.

The New Book List

The Narberth Community Library will be closed next Monday on account of Memorial Day, but the new books acquired during May will be ready for distribution on Tuesday. The following is the complete list of books purchased during the month of May:

Non-Fiction.

"An American Saga," Carl Jensen. The true story of an interesting career, "The Evolution of Charles Darwin," George A. Dorsey, biography. "Revolt in the Desert," T. E. Lawrence. Adventure which reads like the "Arabian Nights." "Saints in Sussex," Sheila Kaye-Smith. Poems and plays. "Tristram," Edwin Arlington Robinson. Poetry.

Fiction.

"Adventures of an Oaf," Frank Sullivan and Herb Roth. It will tickle your funny bone. "The Almost Perfect State," Don Marquis. Picturing a heaven on earth, no reformers and a good time for everybody. "Andy Brandt's Ark," Edna Bryner. An enlightened woman's pilgrimage back to her family after 15 years' absence. "Aw Hell!" Clarke Venable. A war novel. "Bevan Yorke," W. B. Maxwell. Revealing the truth about a man the world called a cad. "Bold Bendigo," Paul Herring. A romance of the open road and the old English prize ring. "Brother Saul," Donn Byrne. The story of the life of the Apostle Paul. "But Yesterday," Maud Diver. The influence of a dead man's character on his family. "The Early Worm," Robert Benchley. Funny, of course. "Fiddle for Eighteen Pence," Sybil Ryall. A romantic novel. "Four O'clock," Mary Borden. Short stories. "From Man to Man," Olive Schreiner. Novel of two sisters and their divergent lives. "High Winds," Arthur Train. American society and divorce in Paris. "Holy Lover," Marie Oemler. Based on John Wesley's temptation and renunciation in the cause of the Lord. "Immortal Marriage," Gertrude Atherton. Story of Aspasia and her love for Pericles. "The Lovely Ship," Storm Jameson. The life and loves of a woman who inherited a ship yard. "Marching On," James Boyd. Romance of the civil war through the eyes of a Southerner. "The Marionette," Edwin Muir. Of a boy who dreams and worships at the shrine of a marionette. "The Old Countess," Ann Douglas Sedgwick. (Second copy.) "Overtaken," Lawrence Rising. A woman who marries while fleeing the wrath of a man to whom she belongs. "Return of Don Quixote," G. K. Chesterton. Fun with social reforms. "Rowforest," Anthony Pryde. Struggle of the English aristocracy to retain their ancestral acres. "The Tavern Knight," Raphael Sabatini. A tale of Cromwell's time. "That Island," Archibald Marshall. A shipwrecked English family's attempt to set up an England of their own on a tropical island. "Twilight Sleep," Edith Wharton. A novel of modern New York. "Under the Sun," Dan Coolidge. New Mexico and the Indians in the 60's.

harmonica, played by George Trimble, "Dick" Wentz and "Bill Harris." Bert and Don Taylor followed with a well-executed period of legerdemain. Their skill in mystifying the audience equaled anything Narberth has ever seen. Anything they touched disappeared at their command, much to the surprise of the boy scouts and others who had crowded forward in the audience.

The mandolin quartette, consisting of Howard Wilson, "Dick" Toomey, "Bob" Graham and Fred Robb, with Miss Getz at the piano, was roundly applauded following the rendition of a number of popular selections.

A travesty entitled "Ill Treated Trovatore" was well executed by Vestus Spindler, Barney Mellor, Howard Wilson, Albert Lambert and Jay Thomas.

Dancing followed the show on Saturday night. Jack Cotter's "Collegians" supplied the music on Friday as well as Saturday evening.

KINGS' DAUGHTERS

Hear Reports on Lancaster Convention—Urge Support of Holiday House.

Reports of the thirty-second annual convention held at Lancaster were made at the monthly meeting of the Anna C. Sullivan Circle of King's Daughters, held at St. Andrew's Chapel in West Manayunk last Thursday. Mrs. Howard Righter, secretary, and Mrs. William Fischer, leader of the West Manayunk Branch, told of the convention, which was attended by 295 delegates representing 123 Circles with a membership of over 5000 in the State.

BAROMETER GYMNASTICS

With the rise of the barometer last Friday the weather cleared and normal temperatures were recorded, according to Charles Decker, Main Line weather man, but between 4.30 P. M. on Monday and 7 A. M. Tuesday there was a rapid fall in temperature from 82 to 50 degrees, a drop of 32 degrees.

The high temperature for the past week was 82 degrees, and the low temperature was 47. A temperature excess since May 1 of 16 degrees is recorded. Last year's excess for the same period was 43 degrees.

Precipitation of .09 of an inch was reported for the seven-day period ending Tuesday night. Since May 1, the total is 1.95 inch. The barometer fluctuated between 30.45 and 29.84.

PRAISE SEWER WORK

CONTINUED FROM THE FIRST PAGE

Mr. C. C. McCracken, of Merion avenue, Narberth, it was announced, will be in charge of this new terminal.

Plans for an outing meeting on June 29, instead of the regular supper, were discussed by the members. The affair will be on a Wednesday afternoon, when stores are to be closed, and will consist of baseball and a big supper. The place for the picnic will be announced by the committee soon.

Jacob Greiner, contractor, was elected a member of the Board of Trade.

It was expected that State Senator James S. Boyd would address the members, but, due to a confusion in dates, he was not present. The program committee expects to have him at a later meeting.

The following were present: J. C. Nash, Henry T. Nash, Jr., Richard Gillis, Taylor Henry, N. R. Peacock, Walter G. Case, Walters Roser, Chris Koch, C. C. McCracken, R. P. Russell, J. B. Nesper, E. H. Curtis, John R. Hart, Thomas C. Kerrigan, Joseph J. C. Adelizzi, J. P. White, Alex C. Betus, Philip A. Livingston, Jos. Paperman, H. Cooper, J. Paul Shea, George M. Dando, Fred Walzer, Harry H. Hamer, C. J. Munyon, Joseph Strauss, William H. Fowler and Wynnefeld H. Cook.

the town. Some of our trees are of the finest of the land. Nowhere is there a finer tree than the elm, a reminder of the former name of Narberth.

If any reader has not seen—forget that such should be the case—this superb specimen of Ulmus Americana, let him walk to Narberth and Windsor avenues, and peep around brick stone walls to see the king hold forth. On the same journey he might walk to Narberth and Chestnut avenues, and visit another centenarian, Quercus alba (white oak), also hemmed in by man-made barriers, but nevertheless thriving.

There are many other trees of interest and beauty in our town. Keen foresight might have preserved many more. Even a shaded Haverford avenue might have been possible.

Let us treasure what we have left of our trees and where possible plant more. Here is hoping that the Shade Tree Commission will awaken from its nap and get on the job and stick to it.

There are 862 species of forest trees in this country. If the different varieties and hybrids were added the total of the different forms of forest trees would reach 1177. Of all the trees that make up our forests 182 species are commercially useful.

OFF THE BEATEN TRACK

¶ NARBERTH is not on a touring route. No great highway runs through our business section. No passing motorists elbow their way into our local stores.

¶ THAT fact has two results. It means that our local tradesman cannot depend on the transient stranger for his business, and therefore, studies the needs of Narberth folks; and it means that when you enter a Narberth store you are not elbowed aside by a middle western contractor's wife who wants a roll of film.

¶ BUT if you shop in any other Main Line town, or in Philadelphia, you are one of a motley unknown crowd of buyers. Your wants are not studied and catered to; your presence is not a signal for courtesy and a friendly word.

¶ A TELEPHONED order to a Narberth merchant or service man assures you of quality, value, satisfaction. For our group of modern stores are here to take care of the needs of Narberth. No matter where else you may go, THIS IS NOT TRUE.
